agriculture

## PRO MINERALS™

PRO MINERALS™ increases the soil's ability to hold water & fertilizer - helping to build healthy soil and produce greater yields. PRO MINERALS™ is a superior complex of trace minerals and amino acids derived from a cold-water extract of ancient humic shale. PRO MINERALS™ detoxifies pollutants in the soil, absorbing toxins and reducing harmful substances to help protect plant roots. This product can be safely applied during the growing season without risk of burning.

### SOIL APPLICATIONS

Add 2-4 fl oz to enough water to irrigate 1 acre.  
1 GALLON treats 16 ACRES of soil.

### ROOT DIP APPLICATIONS

Root dip applications vary by crop, soil type, and other characteristics. See website for further guidance.

**STORAGE:** Store out of direct sunlight in a cool place above 40° F. DO NOT FREEZE.

**CAUTION:** PRO MINERALS™ is not intended for human consumption. Keep out of reach of children. In case of contact with eyes or skin, flush with water for up to 15 minutes.

**NOTE:** Information regarding the contents and levels of metals is available at <http://www.aafco.org/metals.html>
